AEROVIEW Plaza

Because where style is concerned "Contemporary is synonymous to Comfort"

The contemporaneous showroom styled business plaza is located on Punjab's region's **widest commercial road** with ease of access for your prime customers. Arriving at a time to bridge the gap of limited commercial spaces and booming residential dwelling. The iconic layout of **250 feet front footage** is hard to miss though definitely within your reach at a lucrative price.

Value for money

Investor's Ideal

A smart investor keeps an eye out for options that look promising and offer considerable appreciation on their investments. AeroView Plaza offers better rental opportunities compared to its peers, ensuring best Return on Investment, well above Tricity's average.

AeroView - A mark of quality and superior value.

Spaces For Everyone

Retail spaces that are thoughtfully designed to cater to your unique needs. Raman's photo studio is an exemplification, and an exquisite flower shop owned by Mrs Khanna which was her life's dream, while Mrs Verma is happy to run her patisserie. A long list of dreams that will come to life in these spaces and yours can come alive too.

Aeroview → Something the investors can vouch for and people can watch out for.

More Than What You Sign Up For

A classic trademark of aeroview plaza is its **modern architecture** thereby enhancing the property's value, giving the customer **best value money can buy**. As an investment, the location serves a **premier upmarket** in the present and a substantial **bankable investment** for your future.
